Navigation

Plot and bash navigation will be used, with simple instructions.

Each class may receive different navigation in sealed envelopes; these will be inspected by marshals at Time Controls to ensure they are still sealed.

Controls

There will be two types of control; Time Controls (TC) and Passage Checks (PC).

Time Controls will be staffed and you should ensure the marshal records your time in the correct place. You may wait in controls for your due time (if you arrive early), but cannot open the navigation or leave the control area until your due time.

Passage Checks will take the form of code boards. These should be recorded on your time card in the correct place, and signed for at the next staffed control.

Please ensure the information recorded on your time card is legible!

Controls will close 30 minutes after the due time of the last car. Maximum Lateness is therefore 30 minutes.

Marking

Marking and penalties will be applied as follows:

Late arrival at a Time Control, per minute	1 minute
Early arrival at a Time Control, per minute	2 minutes
Wrong approach to a staffed control	20 minutes
Opening a navigation envelope early	30 minutes
For each TC or PC missed or not recorded	1 fail

Exceeding Maximum Lateness, per Time Control	1 fail
Infringing rules on Quiet Zones, per offence	1 fail
Behaviour likely to bring motorsport into disrepute	Exclusion

Ties will be resolved in favour of Beginners, then by lowest capacity, then by furthest cleanest. The organisers reserve the right to use any means they deem appropriate to resolve ties or protests.

Quiet Zones

Any area with a non-60mph (70mph for dual carriageway) speed limit or which is obviously built up should be treated as a Quiet Zone. These areas should be driven through in the highest possible gear, with auxiliary lights turned off. Other Quiet Zones will be notified in the Final Instructions and navigation.

Please treat the route and those who live on it with respect.

Results

Results will be announced as soon as possible after the last competitor finishes.
